## EXPERIENCE (INTERNSHIPS)

- **IIITDM, KURNOOL** Kurnool, Andhra Pradesh  
*Software Development Intern*  
*Jul 2023 - Oct 2023*
  - Effectively created a comprehensive web application for alumni engagement titled 'IIITDM Kurnool Alumni Operations,' featuring advanced capabilities such as email triggering, a Google login Authentication (OAuth), and industry-standard password encryption using SHA.
- **BAMBHARI** Bangalore, Karnataka  
*Web Development Intern*  
*Aug 2023 - Oct 2023*
  - Achieved the successful development of a comprehensive team project named 'Garden Management System,' comprising both a Client Panel and an Admin Panel, as well as an array of additional features like API calling.
- **ANDHRA PRADESH STATE SKILL DEVELOPMENT CORPORATION** Virtual  
*AWS Trainee*  
*May 2023 - Jul 2023*
  - Deployed various server types, including Linux, Ubuntu, and Windows servers, and accomplished the successful development of a web project involving the deployment of a ChatBot using the Gradio App library on an Ubuntu server.
- **OASIS INFOBYTE** Virtual  
*Web Development Intern*  
*Sep 2022 - Oct 2022*
  - Successfully designed a project titled 'Library Management System' during the internship, which serves as a platform for exploring the library environment, managing books stock and books Issue list, Library Management members, and more
- **FASTFINDFIRM** Virtual  
*Web Development Intern*  
*Jun 2022 - Aug 2022*
  - Throughout the internship, I achieved the successful creation of a comprehensive project called 'Fee Details Management.' This project serves the purpose of maintaining fee records in a professional and organized manner, applicable to various organizations, schools, and colleges with Google Login Facility.

## ACADEMIC PROJECTS

- **Online Feedback System (GitHub Repo ):** Proficiently crafted a full-fledged project aimed at gathering student feedback on semester subjects and faculty performance through an online rating system. This data is systematically organized into a specified format, allowing the admin to conveniently download reports in PDF format.
- **Blood Donor Portal for Thalassemia Organization, Kurnool (Live Link ):** Effectively designed and implemented a comprehensive project utilized by the Kurnool Thalassemia People Welfare Organization to facilitate the recruitment of blood donors from various regions via an online platform.
- **Alumni Portal (GitHub Repo ):** Designed and implemented a comprehensive project aimed at nurturing and enhancing alumni relationships. This platform serves as a means for present students to seek consultation and gain insights from alumni within their respective fields, specifically regarding interviews, industry perspectives, and other pertinent topics..
- **Convocation Portal for Royalaseema University, Kurnool (Live Link ):** Engineered a holistic solution to streamline the student registration process for convocation participation, seamlessly incorporating the SB i-collect payment gateway for convenient convocation fee payments also included different sorts of Student data filtering .
